Organic & Naturally Derived™

Organic & Naturally Derived..... cosmetics bases are made from the best botanicals from around the world. We offer 90 to 100 percent naturally derived bases as opposed to the industry standard chemically synthetic bases. The synthetic bases sold by most competitors are certainly not better for you, or the environment. So make sure you really know about the ingredients. Check the label on each product for ingredient information.

Organic & Naturally Derived™

Lavender Lotion....

Many people are beginning to understand the exceptional abilities of lavender to calm and create a feeling of restfulness.

This wonderful medium bodied lotion uses the finest Organic Golden Natural Jojoba and is designed for all over skin and body care. Wonderful for Normal to Oily skin types.

Aromatherapy Bath Fizzies.... are made with all natural ingredients and scented with pure essential oils.

Use 1 ball per bath for an exciting aromatherapy experience.

Lavender...Brain and Central Nervous System sedative, nervous tension, manic depression, mood swings. Excellent children's remedy. Scent: Fresh, floral, light, powdery, and sweet.

Lemon....Stimulant to brain, all sense organs and Parasympathetic Nervous System Used in Japan to increase workers productivity and concentration. Scent: Light citrus scent, clean, sweet, sugary.

Peppermint...Balances Sympathetic Nervous System, calms mental racing and depression. Scent: Minty fresh, slightly camphor-like, candy-like.

Sodium Bicarbonate, Citric Acid, (Sodium Chloride) Sea Salt, (Sucrose) Sugar, Ricinus communis (Turkey Red Castor) Oil, Essential Oils, Magnesium Sulfate (Epsom Salt), Hamamelis virginiana (Witch Hazel), Borax, Calcium Sulfate

Coffee Salt Scrub....Even before you make your first cup of coffee you can experience the delightful aroma in your bath or shower. Sea Salt, Sugar and Coffee effectively remove dead skin cells and improve circulation. The caffeine and EGCG in coffee helps neutralize free radical damage to the skin. Rubbing coffee over cellulite prone areas has been a model's secret for years as it works wonders right before a photo shoot.

Sodium Chloride (Sea Salt), Persea Americana (Avocado) Oil, Coffea Arabica (Organic Coffee), Magnesium Sulfate (Epsom) Salts, Sucrose (Turbinado), Limnanthes alba (Meadowfoam) Seed, Tocopherol (Vitamin E), Rosmarinus Officinalis (Organic Rosemary) Oleoresin Extract, Azadirachta indica (Neem), Salix nigra (Organic Black Willow Bark) Extract

Creamsicle Body Crème.....This wonderful natural age fighting creme is full of vitamins, herbal extracts and other great ingredients with great properties. The moisturizers and vitamins will rejuvenate your skin and reduce the appearance of wrinkles. Avocado Oil is known as a natural age fighter and this creme is full of it and Shea Butter, Mango Butter and so much more, along with vitamins A, B5, C, D3, E and K to name a few.

Scented with Vanilla and Sweet Orange Essential Oil. You will love it.
